Note: FY placement identifies the year of initiating actions. IOC/FOC, IAW TFSP definitions, to be specified in individual unit POA&Ms.
* Subordinate element/unit initiating actions occur in multiple years.

Methodology

- Obtained target T/Os from TFSD (mirrored)
- M&RA(RAP) analysis of retention
- MCRC analysis of recruiting
- Manpower overall endorsement of site potential / capacity
- Facilities supportability (CORRS rating)
- Current mission and MOS structure
- Current BIC mismatch
- Geographic dispersion / proximity for C2 architecture
- Minimize retraining requirement
- Keeping faith with our Marines
